The Milwaukee Addiction Treatment Initiative (MATI) is a collaboration among local stakeholders -- including treatment providers, public health agencies, law enforcement, faith-based agencies, advocates and members of the recovery community -- to close the addiction treatment gap in Milwaukee County and ensure that everyone who needs treatment can receive it. MATI is sponsored by a grant from the Open Society Institute, Baltimore, with additional funding from the Helen Bader Foundation, the Zilber Family Foundation and the Greater Milwaukee Foundation. Visit MATI online at www.ca-mati.org.
